

MEMORANDUM

December 3, 2014

TO: Members of the MVSEC Executive Advisory Board

FROM: Carla Cumblad, Executive Director

RE: Illinois State Board of Education Licensure Review

After receiving a complaint from Patti Lopuszanski regarding the licensure of the Mid-Valley staff, the Illinois State Board of Education conducted a complete investigation of all licensures and registrations. As the accompanying memo indicates, all personnel records were found to be compliant and all credentials were properly registered.
