Brian Miller, Principal
Rachel Damiano, Asst. Principal
Susie Biller, Office Manager

Hidden Valley Community,

The beginning of second semester has started and everyone is excited as students have new classes, teachers are building relationships and our energy continues to grow. I am also asking for your help in making sure your son/daughter is at school everyday, prepared for class and stays all day. It will make a huge difference in your child's learning. We appreciate your help in making sure our attendance rate continues to stay above 93%.

We have already started state testing with Science already done and with Math and Reading/Writing coming in March and April. During this time it is very important your son/daughter engage and do their best during this time. We will provide a quiet environment with snacks and drinks after they are done testing.

Students have already started preparing for student led conferences that will happen in April.

Parents/Guardians will be asked to set up a time for your child to present to you what they have learned and most proud of during their time at Hidden Valley High School. This will be our third year and we have had over 98% of our students participate with a parent or guardian in attendance and are goal is 100% this year.

Mrs. Jennifer Wagner and her drama class produced an awesome play this year, Shakespeare on the Green and it was hilarious as our students did a great job. If you missed the Fall play, check our website as the spring play will be just as good.

Winter sports are concluding as Boys Basketball barely missed the playoffs, Wrestling finished 2nd at districts with Coach Houghtby being named coach of the year along with district champion Dustin Brown and JoJo Carrion. Congratulations to Dustin Brown as he was named Wrestler of the Year at districts and to JoJo Carrion finishing 4th at the State Wrestling Championships. Congratulations to our Girls Bowling team as they qualified for State, Conner Harper qualifying for State Swimming and to our Girls Basketball Team as they won the league championship for the 2nd year in a row and to Coach Joel Jessee as he was named Coach of the Year.

Springs sports have started and it is not too late to participate so if your interested please see Dawn Lasater in the front office or call her at 541-862-2124.

I would like to personally invite you to our Booster Club Dinner and Auction March 16, 2019 at the Josephine County Fairgrounds. Tickets are \$20 pre-sale or \$25 at the door. We will start at 5:30 pm with the silent auction and at 6pm dinner will start. For more information please check our website or call the front office 541-862-2124

As you can see a lot of exciting things are happening at Hidden Valley High School and I am proud to be leading this excitement. We will continue to provide a strong and challenging academic curriculum along with a high five and smile each day. Thank you for allowing us to be part of your child's life.

Thank you.

Brian Miller Principal Hidden Valley High School
