Meeting was called to order at 7:04 AM.

**Visitor Considerations:**

Blair Angel and C.J Cothorn were present to update the Committee on the Diamond Clubs turf project for the baseball field. They reported that they are around \$40,000 short of having their full funding. They asked if the District would consider paying for the batting cage which would be utilized by the baseball and softball teams.

**Discussion of the softball field progress:**

Progress has slowed with the weather. We chose colors for the backstop mats and the metal for the dugouts. It was also agreed to put the new scoreboard up on the new field and not at Tanner Park.

**Discussion of New Bus Garage:**

Everything has been installed and we have moved three spare buses over there to store inside. We are still waiting on phones, internet and computers to be set up and it will be ready to move into. We may look at painting it next year.

**Discussion of Hospital parking on our bus garage lot.**

Moon explained that we were around their 3<sup>rd</sup> option, but things are in the early stages.

**Discussion of the FY26 Maintenance Grant:**

This grant will be used to install a new paging system at the Jr. High along with replacing rooftop units at the Jr. High.

**Other Business:**

We reviewed bus bid proposal and discussed fuel tanks for the new bus garage.

With no other business the next meeting is TBD and the meeting was adjourned on a motion from Moon and a second from Berner at 7:35 AM.
