

The Long Lake Park Committee will submit for a grant through the Alpena County Youth and Recreation Commission the following enhancements to the Long Lake Park Day Use Area. Due Date May 1, 2024 for the year 2025.

1. Open drive from Long Lake Park Rd into park day use area:
Needs approximately 230 yards of gravel to restructure road and prepare parking area designated for approximately four vehicles. A split rail fence to separate drive and parking from picnic/beach area. Bike rack for parking bikes.
2. Add a fourth concrete pad for picnic purposes.
Need. Fill for low area to level ground.
Concrete for a pad.
Commercial Picnic Table and Bench
Grill
3. 4 Pavilions, one for each concrete pad.
4 posts with metal roofs.
4. 320 Yards of sand to fill low area and prepare for volleyball court, horseshoe pits and enlarge beach area.

Will Have to contact several vendors for suggested loads of gravel, sand, fill.
