SUBJECT: Update of Policy 5220 Student Dress and Grooming Standards - 2nd Reading

On May 3, 2023, policy 5220 Student Dress and Grooming Standards was approved on a first reading. This policy was last approved by the Board in May of 1999. The purpose of this update is to provide a more comprehensive district-level policy that will allow all schools in the district to be consistent in their practices regarding student dress and grooming in schools. The current policy does not include definitions, guiding principles, nor enforcement guidelines. An update to this policy has been requested by school and district-level administrators as well as teachers, staff, and parents. We are seeking Board approval of this policy on a second read.
