

AMS March Board Communications 2015

PTO:

PTO has invited elementary parents to join their March 10th meeting for nominations and elections for next year.

They also hosted a wonderful soup and salad lunch for the staff and teachers.

Band

On Saturday, February 21st, the Percussion Program placed 3rd at the North Texas Color Guard Association percussion and winds competition in Burleson, TX. The next competition will be held in Flower Mound on March 21st.

On the evening of March 2nd several AMS trumpet players attended a concert at the Dallas City Performance Hall. It was a special concert featuring the top symphony trumpet players for Cancer Blows Education Event.

Theater

One Act Play competition will be held March 3rd at the NCTC Gainesville campus.

AG

March 5th-7th the AG Department will be taking 20 breeding pigs to the Houston Livestock Show. From there they will go to Katy, TX for the Houston Horse Judging contest March 8th-9th. Students will start their spring break off with Heifers and Public Speaking March 14th-16th.

Jr Beta

AMS had five Jr. Beta students that won awards at the State Beta Convention.

Sarah Wainwright
1st place Sketching
Hannah Householder
2nd place Sculpture
Rachel Housewright
2nd place Social Studies
Amos Perkins
2nd place Literature
Jacan Farmer
1st place Math

The entire team has been invited to the National Beta Convention in Nashville, TN.

Great Job!!

Living Choices

Living Choices of North Texas will be at AMS March 9th-13th discussing WAIT Training with our 6th graders. WAIT Training curriculum is high energy, fun, positive initiative that empowers children to make healthy life choices.

8th Grade Math

8th grade math class has been discussing the volume of 3-dimensional figures such as prisms, cylinders, pyramids, cones and spheres.

In Algebra 1 students are learning how to multiply and divide with exponents including negative exponents and scientific notation.

7th Grade English

Mrs. Tullis's advanced classes are creating book commercials using Aurasma. Aurasma is an augmented reality app that allows you to scan a product and record a video at the same time. The commercials will be featured at Open House.

Going on This Week At AMS

Art

The art department will be hosting an Art Exhibit during Open House in the AMS hallways. The art displayed will be works by our 7th and 8th graders.

Open House:

March 23rd, 6:30pm -8:00pm is Open House Night at AMS. Everyone is invited to come see all the great things that have been happening at AMS. .

This is also Book Fair family night.

Spring Book Fair is March 23rd-27th.
