| 3072 | COMPREHENSIVE ASSESSMENT AND REVIEW PROGRAM FOR THE NURSING PROGRAM Assessment Technologies Institute (ATI) Overland, KS | \$220,000.00 (not to exceed) |

TO: The Board of Trustees

FROM: District President H. Neil Matkin

DATE: September 22, 2015

SUBJECT: Recommendation for Renewal of Reference 3072 –
Comprehensive Assessment and Review Program for the
Nursing Program.

SCOPE: Renewal of the annual contract for the comprehensive skills
assessment and review program in use by the Nursing
Department. Term of contract: 09/01/2015 through
08/31/2016.

RECOMMENDATION: Assessment Technologies Institute (ATI) \$220,000.00
Overland, KS (not to exceed)

JUSTIFICATION: Sole Source. This program has proven to be effective in the
District's efforts to consistently increase the passing rate of
nursing students by 90% or more each semester. It is an
assessment-driven, online, self-study learning package which is
continually updated and includes how-to videos of nursing skills,
practice challenges, etc. as well as providing predictor tests
each semester to determine if a student is retaining the
information and skills necessary to pass their NCLEX-RN Test.
Students also have access to the program for 1 year after
graduation.
