The bid amount for the 2025 Chevrolet Suburban LS is 63,386.00.

This is based on a unit that is currently available at another dealership and is subject to being sold prior to approval. If such a vehicle is sold, we will attempt to locate another 2025 model as close to the specifications as possible.

If a 2025 is available due to the end of model production a 2026 could be ordered. The current pricing for 2026 Suburban's is not published currently. Pricing should become available in August of 2026.
