Re: Annual Renewal of ELLevation Software License (Curriculum Associates, LLC)

The ELLevation platform allows teachers to become more familiar with their English language scholars performance. It assists teachers to determine, at a quick glance, a scholar's language needs and access information that will aid in more effective communication within the school structure.

The renewal of the ELLevation software will allow the district to be more efficient in serving our English Learner scholars across the district. It will also continue to give us the opportunity to look at scholars with a more comprehensive approach. The continued use of this software will allow us to continue to make data-driven decisions regarding programming type, numbers of minutes, and on-going needs for individual scholars.

It is recommended that the Board of Education approve the renewal of the software license with ELLevation with Curriculum Associates, LLC, 153 Rangeway Road, North Billerica, MA 01862 for the 2025-2026 school year at a cost of **\$26,910.00**.

**Investment Period: July 1, 2025 - June 30, 2026**

**Total Investment: \$26,910.00**

**Funding Source: Federal Funds**
