News from Mr. Regal

Volume 1, Issue 5

February 1, 2016

Hello Evergreen Friends and Family,

As spring approaches, many of our classrooms are beginning to take some field trips and have class activities that may require parent involvement. If you are planning on volunteering to chaperone a field trip or help out in the school, please make sure that you have filled out the **new Volunteer form online which includes a background check**: (www.helpcounterweb.com/welcome/?en=23592422 or go to our website, www.threerivers.k12.or.us and choose Evergreen from the list of schools and click on the link under school news). If you do not have access to a computer, please contact Molly at Evergreen (541-592-3136) and we will assist you. Upon approval of your application you will receive an email from Molly with directions on the final steps of the process. **Please take into consideration, that this application process will take at least 2 weeks to be completed, so plan accordingly.**

A lot of times parents do not know how to support their student in education, but parents can get involved by creating opportunities to teach, to be models, and to guide their children at home. **Families whose children are doing well in school display some key characteristics.** The top 2 things parents can do at home to support their child academically are:

Establish a daily family routine

Examples: Providing time and a quiet place to study, assigning responsibility for chores, being firm about bedtime, and eating dinner together

Monitor out-of-school activities

Examples: Set limits on TV watching, checking in with kids when parents are not home, arranging after-school activities and supervised care

These are just a couple of things parents can do at home to get involved with their child's education.

Please keep supporting your student(s) in doing their best on a daily basis at school.

Thanks for all your support in and out of school.....

IMMUNIZATIONS

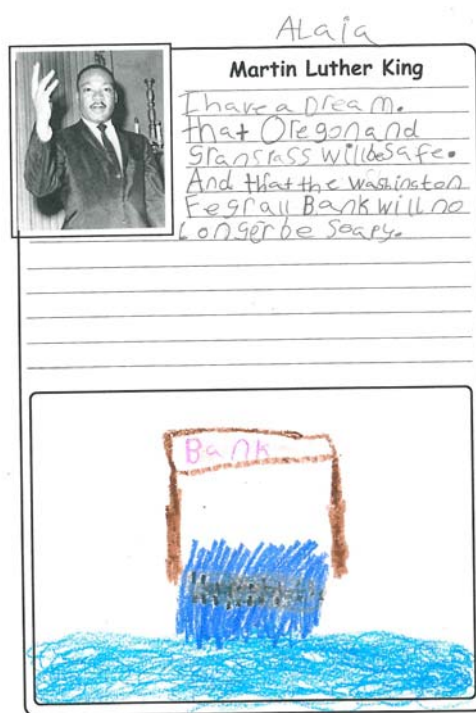

The immunization exclusion date for non compliant students is Wednesday, February 17th!

You must provide documentation of the updated shot record or exemption module completion form prior to this date. If you do not your student will be excluded from school till one of those forms are obtained.

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
