Hi,

I hope this message finds you well. I am writing to follow up on my Purchase Record Request sent on
04/28/2025. It has been some time since I sent the request, and I have not yet received a response.

Could you please provide me with an update on the status of my request and when I can expect to receive
the requested information?

I am requesting a standard report that can be generated relatively quickly from the bookkeeping system.
The report must include vendor name, purchase description, purchase date and total price paid for all
purchases, similar to what many towns and counties and schools share. For your reference I have attached
few samples,

Your prompt attention to this matter would be greatly appreciated. Thank you for your assistance.

Best regards,

Abbas Khan

We are interested in the following details for all purchases from your record keeping system:

- · Line item details or description of each purchase

- · Line item quantity

- · Line Item price

Additionally, if there are any fees associated with processing this request, please inform me in advance if the costs will exceed "$100". Let us know if samples are needed.

Please do not hesitate to reach out to me if you have any questions.
