

BOARD OF SCHOOL TRUSTEES  
KELLER INDEPENDENT SCHOOL DISTRICT

**7F. Preview February 13, 2006**

**SUBJECT: 2006-2007 CLOSED CAMPUSES**

**BOARD GOAL: All students will achieve educational excellence**  
**All systems in the Keller Independent School District will be effective, efficient, an accountable in support of the district's mission.**

**FISCAL NOTES: None**

**ANTICIPATED DATE FOR ACTION: February 27, 2006**

**Background Information:**

- The KISD continues to experience very high growth rates. The district adds approximately 1600-2000 new students per year. This phenomenal growth will continue for several more years.
- This growth has contributed to overcrowding and capacity concerns at most KISD campuses. In 2005, the district closed eight elementary, two intermediate, two middle, and one high school campus to new transfer students.
- KISD transfer process for the 2006-2007 school year begins March 1, 2006.

**Administrative Considerations:**

- Enrollment in KISD is growing at such a rapid pace; early determination of campuses that are or are expected to exceed capacity must be accomplished prior to the first day to apply for transfers. This would be the case for the 2006-07 and all school years to follow.
- Campuses will be "closed" as a whole campus as opposed to by grade-level or class count for many reasons, including the limitations on core space (cafeterias, gyms, restrooms, etc.)
- A KISD Transfer Question/Answer document for 2006-2007 will be posted on our website in order to help guide parents in the student transfer process.

James R. Veitenheimer, Superintendent
