**ARTICLE V PEIMS DATA QUALITY SERVICES**

**PEIMS DATA QUALITY SERVICES (PDQS)**

TEA has charged the ESC with assisting the school district in its responsibility for submitting PEIMS data in accordance with the PEIMS Data Standards. This service was funded through state core funds and was provided to all school districts in Region XI at no cost to the district for sixteen years. However, since state funds are not available to the service center for PEIMS as a result of state legislation, a fee is charged to each user so that PEIMS assistance will continue at the same level as in the past. This fee allows a continuation of the following services provided by ESC PEIMS staff:

- ESC will assist the districts with its PEIMS data submission to TEA through EDIT+.
- ESC will provide training in all aspects of PEIMS data collection and submission.
- ESC will present multiple training sessions concerning PEIMS finance, staff, and student reporting with an emphasis on new areas of concern.
- ESC will supply telephone consultation throughout the PEIMS process as needed.
- ESC will inform the district of crucial areas of scrutiny by TEA (e.g., PID, Underreported Leavers, Discipline, etc.).
- ESC will review PEIMS EDIT+ data reports for consistency and possible errors.
- ESC will inform the district of changes and updates in PEIMS as they occur.
- ESC will provide consultation as needed to:
  - Answer questions concerning the Data Standards and the Student Attendance Accounting Handbook
  - Provide guidance through the EDIT+ process
  - Organize the data submission schedule and procedure
  - Interpret Fatal Errors, Warnings, and Special Warnings
  - Provide solutions in the PID correction process
  - Clarify various EDIT+ reports and emphasize their significance
- ESC will “ACCEPT” the district data file, finalizing the submission/resubmission to TEA:
  - After reviewing selected EDIT+ reports (if problems are found, the district will be notified and allowed to make corrections, if necessary)
  - When the Superintendent completes the Superintendent Approval Form (SAF)

**ARTICLE VI PEIMS DATA QUALITY SERVICES FEES**

**PDQS FEE**

Each district will pay PEIMS Data Quality Services (PDQS) fees as indicated in the PDQS Fee Table on the next page. The PDQS Fee covers all services by the ESC Region XI PEIMS Staff as outlined above in Article V. This fee does not purchase software or software support for any commercial product. The PDQS staff will work within the EDIT+ framework and other online services provided by TEA. The PDQS Fee Tables are located in ARTICLE VII.
