Ensuring High Levels of Learning for ALL Students

4 Critical Questions of **LEARNING**

1

What do we want students to learn?

2

How will we know if they have learned?

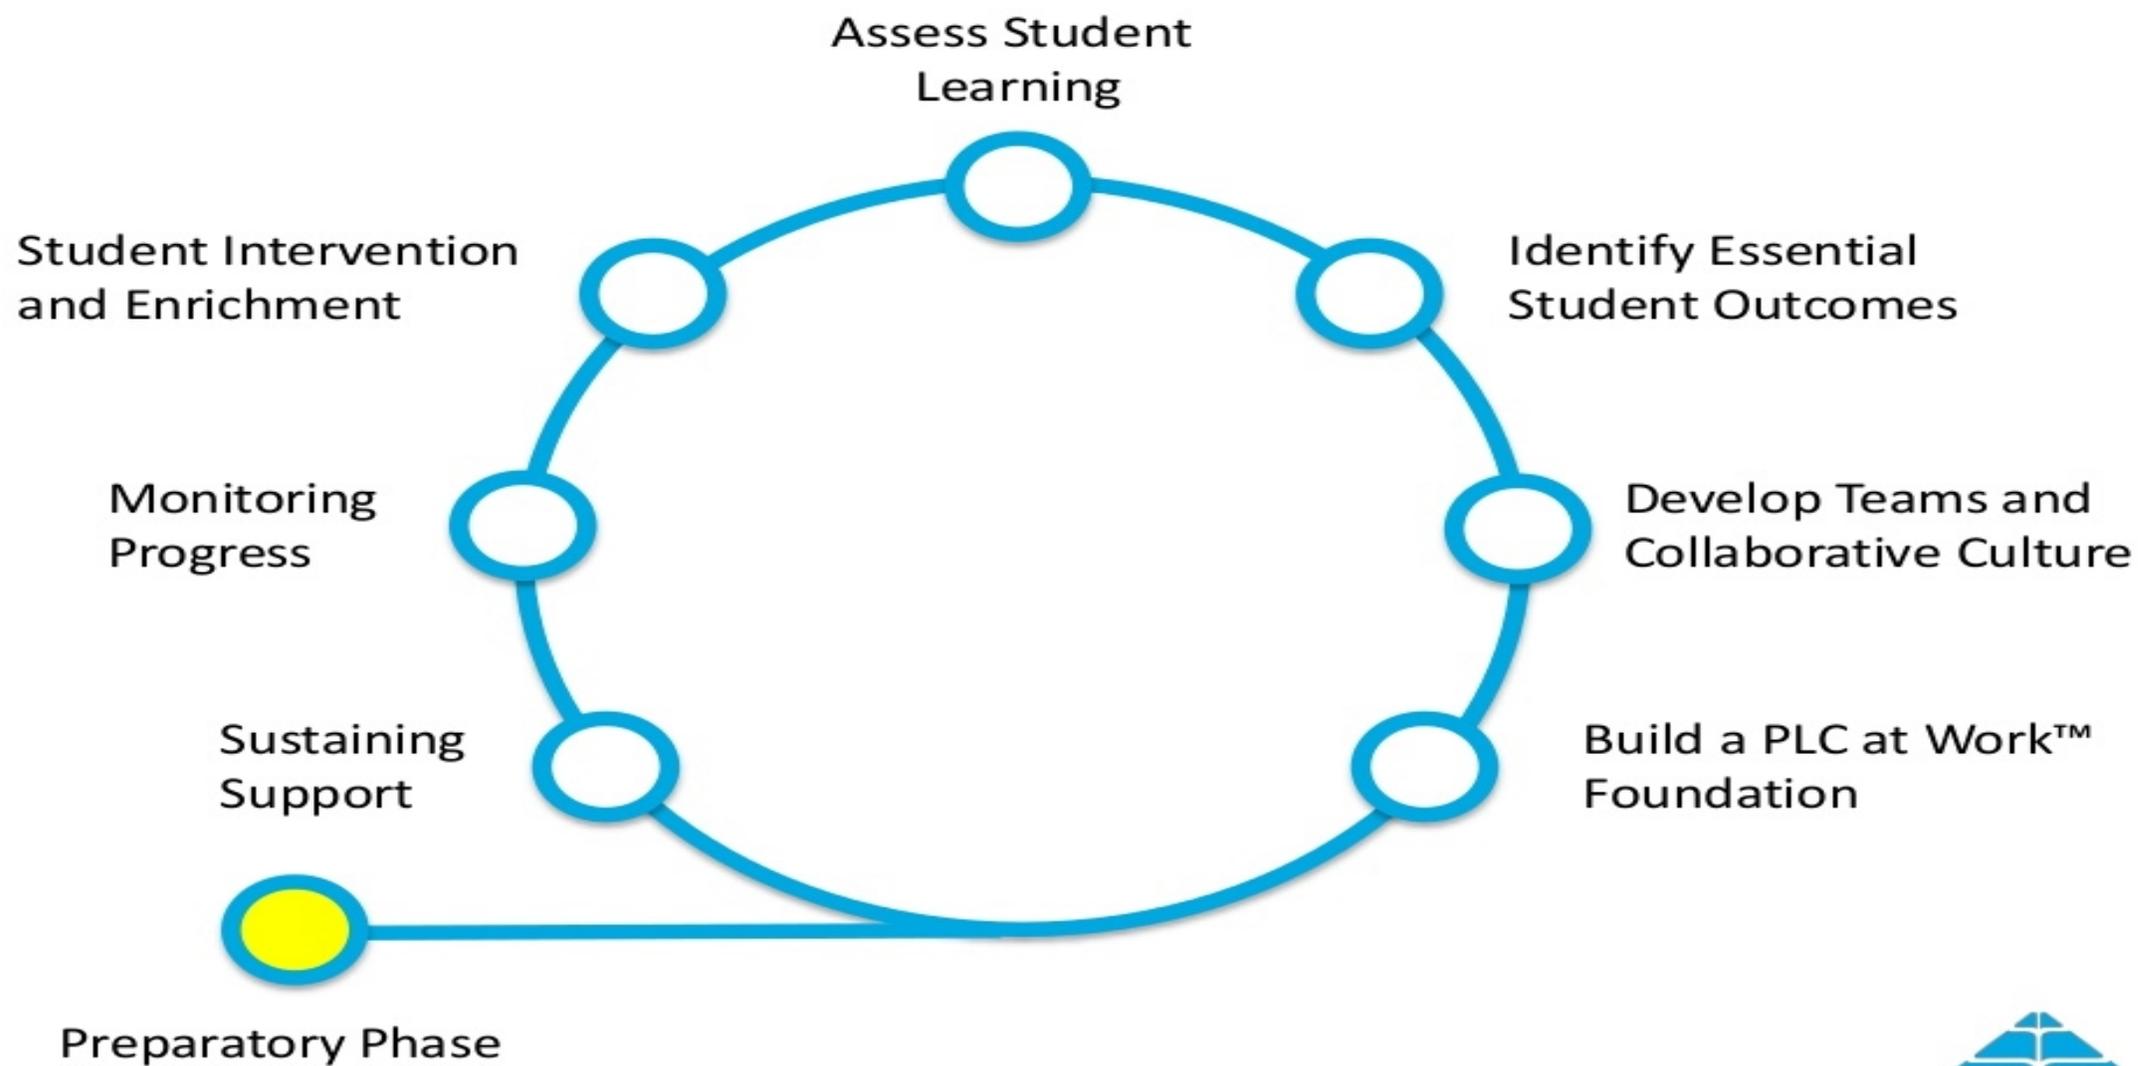

3

What will we do if they don't learn?

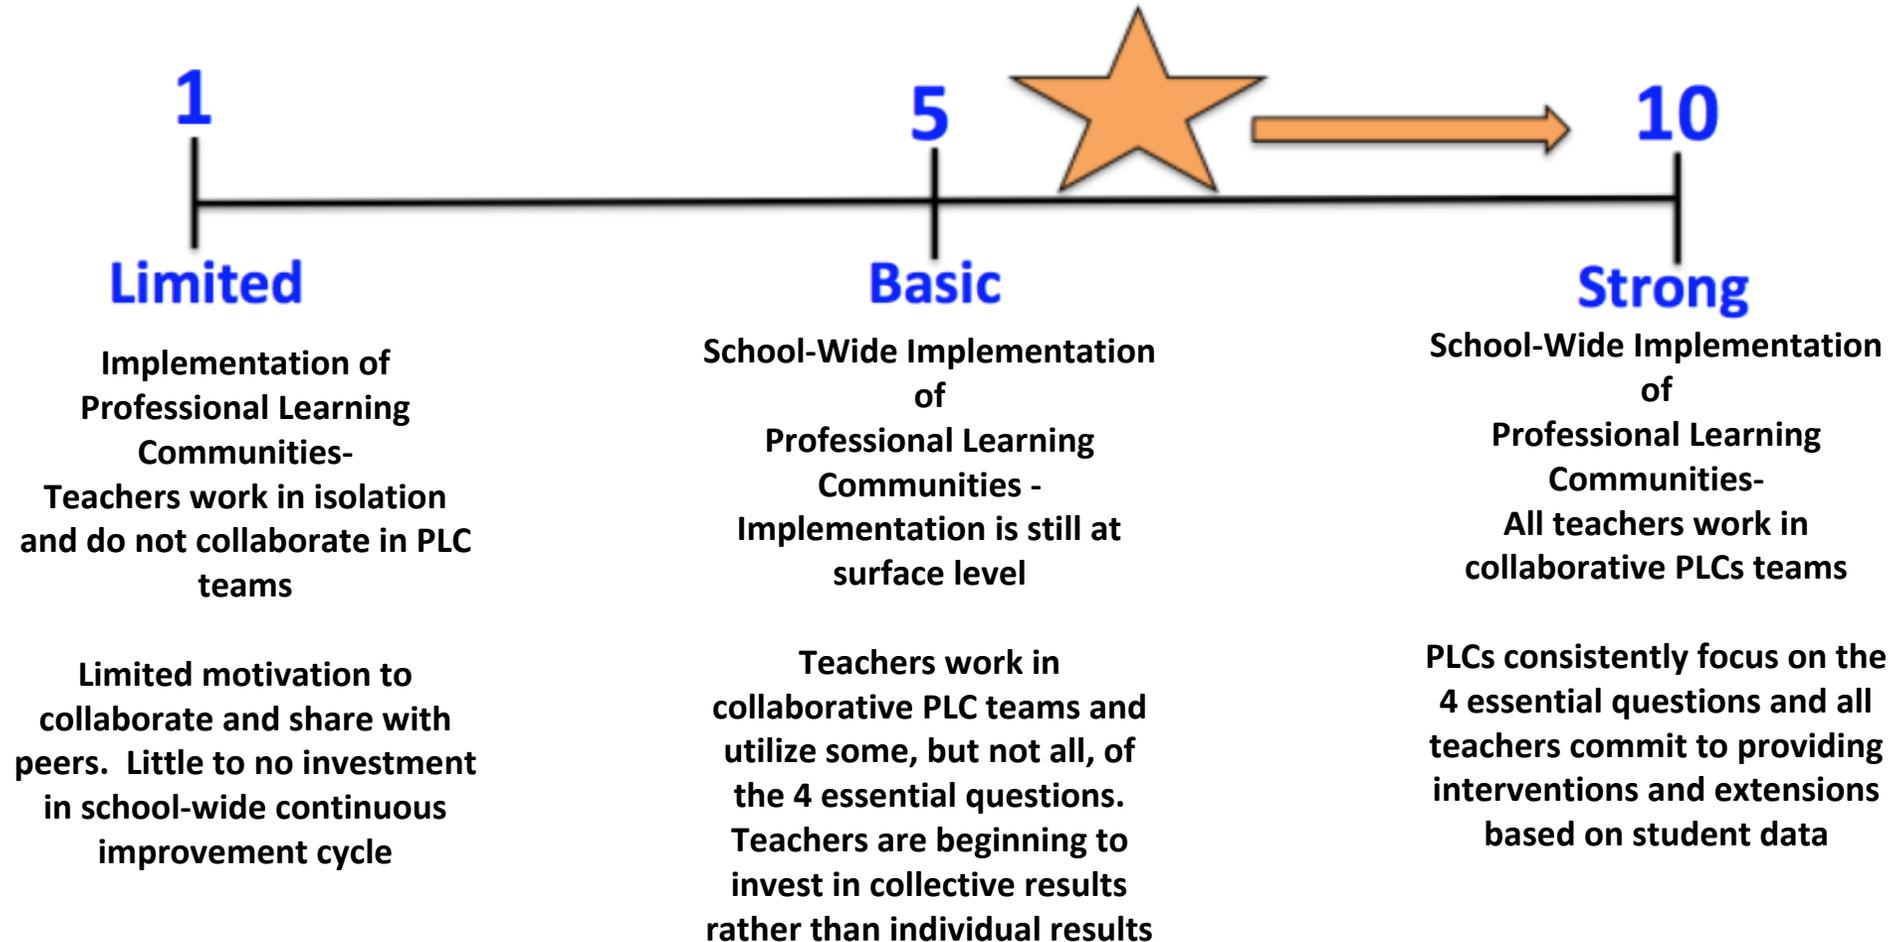

4

What will we do if they already know it?

Learning for All

“Response to intervention offers the best opportunity in the past 3 decades to ensure that every child, **no matter how gifted or challenged, will be equally valued** in an educational system where the progress of every child is monitored and individualized interventions with **appropriate levels of intensity** are provided to students **as needed**.”

-East "Forward", in Jimerson, Burns, & VanDerHeyden, Handbook of Response to Intervention (2007)
