Re: ULINE, Inc. Contract for Service

Rock Island/Milan School District 41 relies on ULINE, Inc., located at 12575 Uline Drive, Pleasant Prairie, WI 53158, as a key supplier of custodial and maintenance tools, equipment, and materials. This ongoing partnership plays a vital role in supporting the timely completion of repairs and the overall upkeep of District-owned facilities.

Following a review of anticipated maintenance needs for Fiscal Year 2026, the Operations Department has identified continued procurement through ULINE as essential to meeting both planned and unplanned supply demands. The ability to readily access quality custodial and maintenance products is critical to sustaining daily operations and responding efficiently to facility repair requirements. This agreement will help ensure the Operations Department remains fully equipped to maintain the safety, cleanliness, and functionality of school facilities

It is recommended that the Board of Education approve a contract with ULINE, Inc. for the purchase of custodial and maintenance supplies in an amount not to exceed \$35,000 for Fiscal Year 2026.

Investment Period: July 1, 2025 - June 30, 2026

Total Investment: Not to exceed \$35,000
