

## **DISCUSSION OF STATUTORY RESOLUTION REGARDING ESTABLISHING A DAILY PRAYER PERIOD**

The Board of Trustees will discuss Senate Bill 11 (SB 11), enacted by the 89th Texas Legislature in 2025, which amended the Texas Education Code by adding Section 25.0823. This section authorizes, but does not require, public school districts and eligible charter schools to adopt a resolution providing a daily period for voluntary prayer and the reading of religious texts by students and employees.
