**SUBJECT:** Policy 7700 Family and Medical Leave Act- Revised- First Read

Policy 7700, Family and Medical Leave Act, has been revised to include changes required by law. Definitions have been added, as well as general provisions for family and medical leave, family medical leave for military service members, parental leave eligibility, and postpartum recovery leave eligibility. We are proposing to rename the policy to Medical and Parental Leave Policy to better reflect its scope. The Legal Department is seeking Board approval of this revised policy on a first read.
