

Superintendent Report

April 2020

Molly M. Stein, Ed. D.

GOVERNOR EXTENDS STAY AT HOME ORDER	
FINANCE ISBA AND ISBA ISSUE JOINT LETTER NEGOTIATIONS	Order extended to April 30 th Asking to delay negotiation procedures until more information is available from the Governor and the State Department of Education. Waiting for budget sheets from SDE as well as more guidance on holdbacks for this year (1%) and next (?). Legislative Tour which outlines budgets in relationship to new statues has not been rescheduled but will be online.
ATTENDANCE	Currently waiting on Governor Little for state wide waivers to allow reduction in attendance. If not, each district will have to submit an individual waiver to assure maintenance of funding.
MAINTENANCE	Working on technology, SSHA gym floor replacement, and SSHA track. In contact with Maggie Mann of SEIHD and Eric Hobson, Caribou County Safety Director. Reviewing OSHA requirements for contracting under COVID-19 restrictions as well guidance for bringing contractors into the county.
FOOD SERVICE/TRANSPORTATION	Mrs. Wells continues to apply for waivers in order to best serve our students. The addition of busing for our most vulnerable children has been appreciated. These meals will be reimbursable as FRL. Financially should align.
IDAHO BUSINESS FOR EDUCATION	Working with local business leaders to collect computers and locate connectivity for students in our area. John Adams Ford is the drop off for computers. Roger Gibson, Bayer, is our area lead.
TECHNOLOGY	Mr. Bassett meets with teachers as need be to resolve technology issues. Is available for tech support to all. Worked with Mrs. Steele to locate online registration software to initiate Kindergarten registration. Software will be used by all schools. Re-Sending Information on Bark security software to parents.
ATHLETICS	IHSAA voted to cancel all activities for the remainder of 19-20 year. (04-17-2020)
