KINDERGARTEN STUDENTS ENJOY “JAR IT UP”: Just before Christmas Break, the University of Idaho Extension Office visited Melanie Harper’s Kindergarten class and did a “Jar It Up” activity with our students! Each student put together a chocolate chip oatmeal cookie kit in a jar to give to their parents for Christmas. Our students loved this activity! We appreciate the U of I Extension Office and Mrs. Harper for making it possible!

READ A BOOK WITH THE PRINCIPAL: This year, students in Mrs. Jenkins 1st Grade class can earn points and pick prizes for positive behavior and performance. Much to Mr. C’s delight, a popular choice has been to read a book to the principal. Students pick out a book, visit Mr. C. in his office, read him the book, and then have a chance to tell him about their favorite part of the book and why they chose it. We love to promote a love for reading! Mr. C. looks forward to more opportunities like this in the future!
