Although there were minutes taken and approved by the Board of Education for the Special Meeting that was the Community Coffee with the Superintendent at Westfield Middle School on Saturday, April 28, I will share some insight as to the dialogue between myself and members of the community that day during this portion of the meeting.

Board Workshop

On Tuesday, June 13, the Board of Education will hold a special meeting beginning at 6:00 p.m. to engage in a workshop led by representatives of the Illinois Association of School Boards. The workshop, Starting Right, is designed to help a newly constituted Board to review the principles of good governance and can be considered a type of board self-evaluation.
