

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois**

Regular Meeting January 28, 2019

FOR DISCUSSION:

Subject: Keeneyville SD20 Negotiations Presentation

Members of the Keeneyville School District 20 Board and Teacher's Union will be in attendance at this time to provide a presentation on their Interest Based Bargaining experience. This was a breakout session topic at the Joint Annual Conference in November that Mr. Moreth, Mr. Cozzi, Mr. Schueler, Mr. Boebel, and I attended and felt that all members of the Board should experience.

In order to preserve the confidential nature of the upcoming negotiations with the Bloomington Council of Teachers, I would ask that the Board members focus any questions on the process and experience of the Keeneyville School District and Union.
