

Pricing Proposal

THE FOLLOWING INFORMATION IS **CONFIDENTIAL**

Frontline Placement Technologies, Inc. proposes the following Aesop pricing. Aesop pricing is based upon a one-time fee for setup and training and then an on-going subscription during the school year. This pricing is based upon the number of employees active on the Aesop system. Noted below are some assumptions for this proposal. A change in the number of employees will change the *actual* cost to you, but **not** the per-person price. This way you can accurately assess the cost for actual numbers on the Aesop system.

Assumptions

- The pricing proposal is based upon a 10-month school year.
- The assumed method of training for this proposal is an on-site training.
- The Aesop service can be cancelled at any time with 30 days notice.
- *SUMMERS ARE FREE!*
