**Our Units for May:**

**This month our lesson plans include: Family and Community, Fairy Tales, Routines and Transitions**

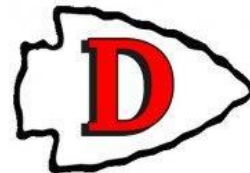

**We began the month with our unit on Routines and Transitions as well as Family and Community by talking about kind words, how you can solve problems with kind words and how we could help save the world. We also talked about what makes you angry and what you can do to calm your body down. We made mood meters and made kindness cards for the DHS staff. We talked about how people learn life lessons using Fairy Tales. Read Cinderella's Secret Slipper, Goldilocks Rocks, The Korean Cinderella, The Three Pigs. We had a parent come in and read The Three Pigs in Spanish. We acted out the Three Pigs and we had a Mother's Day Tea where Mom's and Grandmother's came for tea and muffins. We had a very full month!!**
