Administrators,

This past May, Sharon Schultz contacted the building rep for the GMR Education Association asking for feedback regarding an open house and teacher presence during the event. This inquiry was brought to my attention as President of the GMREA and on May 28 we held a meeting to discuss the issue.

After discussion of several options, it was agreed by all members present that an open house on Wednesday evening would work best. It was also suggested that we work a 12 hour day on Wednesday, with an early 11:30 dismissal for teachers on Thursday to compensate for the evening open house. This was also agreed upon by the members present at the GMREA meeting on May 28.

The GMREA appreciates the opportunity to give input on this issue and we look forward to the open house.

Sincerely,

Mara Gust
President, GMR Education Association
