Board Meeting Date: November

Agenda #

Staff/Administrator: Stu Burgess

Superintendent: Dan Huber-Kantola

Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I am planning my biennial West History Field Trip May 2 - May 5th. On the trip we will go to Fort Clatsop and Fort Vancouver which are both less than a mile into Washington State. Students will fund raise and pay for their own trip. I am asking permission to travel out of state.

Provide history/background information on your proposal.

I have taken this trip before and there have been no problems.

List the advantages of your proposal:

History happened in these locations and we would like to walk in the footsteps of great Americans to better know about their life. There will be no cost to the district, students will provide the cost of the trip. The schedule will allow me to take the trip without missing student contact time.

List possible disadvantages of your proposal:

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Alternate sites were considered but sites on both side of the Columbia River will provide students with a clear picture of the history.

Superintendent's recommendation(s):
