

### PROPOSED REVISIONS

#### Student Fundraising

Administrative regulations shall address student fundraising plans, approval of fundraising activities, and any required reporting on fundraisers by campus administrators.

With at least one employee managing each project, students representing their school or the District may participate in approved fundraising to benefit the District or a nonschool, charitable organization. Participation shall be voluntary and shall be approved only when the fundraising activity relates to the District's educational mission.

Fundraising shall not be permitted during class time. [See EC]

#### Competitive Foods

Fundraising through sales of foods and beverages that could be consumed during the school day shall meet the requirements for competitive foods unless the District allows an exception from the competitive food requirement, as permitted by state and federal law. [See CO and FFA]

#### Web-Based Solicitations

**The principal may approve web-based sales and solicitations of donated money or items for student fundraising. The employee managing each project shall obtain principal approval before beginning the fundraising project.**
