

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** September 15, 2025

**AGENDA ITEM:** Consider Approval of School District Administrator Personal Services with Business Entity

**PRESENTER:** David Stevens, Chief of Police/Director of Safety & Security

### **BACKGROUND INFORMATION:**

- During the 89th regular legislative session, Texas lawmakers passed House Bill 3372 that amends the Education Code to prohibit a school district administrator from receiving any financial benefit for the performance of personal services for the following entities:
  - any business entity that conducts or solicits business with the district that employs the administrator;
  - an education business that provides services regarding the curriculum or administration of any public school district; or
  - another district, open-enrollment charter school, or regional education service center.
- The bill establishes that a superintendent must certify no later than September 30 of each calendar year
- Chief David Stevens has been assisting the Aledo ISD Police Department (AISD PD) provide armed police security for the Parker Bible Church that takes place at McCall Elementary School on Sunday mornings. The Church has requested police presence and the AISD PD officers needed help filling the request. Officers work from 8:30a–1p and provide police security for the morning setup, Sunday School Service, Worship Service, and standby while donations and tithes are processed and removed from the property.
- The Aledo Youth Football and Cheer Association for many years has rented AISD stadiums for their game events. AISD PD has been contracted to provide police security for the events, as well. AISD PD officers provide a uniformed, police presence throughout the games, respond to calls for service, and assist with any other issues or emergencies that may arise. While AISD PD officers are able to cover most events, it is possible there could be a time where Chief Stevens will need to work to provide the requested police service. Chief Stevens is not “scheduled” to work any events and this measure is proactive in case of necessary coverage.

- Fine Arts Coordinator Missey Head is seeking approval for three contracts:
  - Prosper ISD Contract- An annual agreement exists with Prosper ISD under which services are provided as an independent vendor. Responsibilities include conducting teacher observations, facilitating one-act play clinics, completing program evaluations, and delivering professional development sessions as requested. This work is ongoing but part-time and is conducted entirely outside of contracted Aledo ISD hours.
  - UIL Judging Contract- Contracts are held with multiple Texas school districts for adjudication of UIL One-Act Play contests. Current assignments include Denison ISD, Aubrey ISD, Frisco ISD, Denton ISD, Midway ISD, and Plano ISD. This disclosure also covers future UIL judging engagements, which occur annually but vary in number and location.
  - Independent Consulting Contract- Short-term consulting services, including professional development, program evaluation, and clinics, may be provided to other Texas districts on an as-needed basis. These engagements are occasional, not continuous or predictable, and occur throughout the year as opportunities arise. This contract functions as a general disclosure to cover such engagements when they occur.

**FISCAL INFORMATION:**

None

**ATTACHMENTS:**

Agreements with Parker Bible Church

Agreement with Aledo Youth Football and Cheer Association (AYFCA)

Prosper ISD Contract

UIL Judging Contract

Independent Consulting Contract

**ADMINISTRATIVE RECOMMENDATION:**

The Administration recommends the Board of Trustees approve the agreements and contracts related to Chief David Stevens, the Aledo ISD Police Department, and Fine Arts Coordinator Missey Head as presented.
