- *Interviews are currently underway for open staff positions at both the High School and Elementary levels. We are excited to welcome new team members to our school communities!*
- *At this time, we have received five paraprofessional resignations. We will continue to monitor enrollment numbers and student needs closely to ensure we are fully staffed to support all learners this fall.*
- *Our custodial team is hard at work preparing the building for the upcoming school year. Classrooms are being deep-cleaned, repairs are underway, and fresh paint is brightening our learning spaces. The building is truly looking wonderful!*
- *Curriculum materials and staff supply orders are arriving daily and being distributed to classrooms. It's encouraging to see our learning environments coming together in preparation for the new year.*
- *A heartfelt thank you to the many staff members who have collaborated to prepare for the 2025-2026 school year. Your teamwork and communication have been outstanding and greatly appreciated!*
- *The Elementary Student Handbook is ready for a first read. Please note the updates in red, including the addition of the family school calendar and the PBIS Behavior Matrix—designed to help families understand our behavior expectations and supports.*
- *The High School Student Handbook is also ready for your initial review.*
