

BOARD ACTION ITEM APPROVAL FORM

DATE: September 24, 2025

SUBJECT: Certiport - Renewal

BACKGROUND: Texas Can Academies offer Career & Technical Education (CTE) programs that prepare students for real jobs. In the Business, Marketing, and Finance pathway, students can study Entrepreneurship, moving from basic business classes to internships and industry-based certifications (IBCs). These programs support College, Career, and Military Readiness (CCMR) requirements, hands-on learning through maker spaces, and Student Outcome Goal #3. This purchase is needed due to adjustments in state-approved IBCs and will help students complete the program, gain real-world experience, and earn credentials aligned with state standards and workforce needs.

ADMINISTRATIVE CONSIDERATION: Texans Can Academies requests renewal of the Certiport contract to support Career and Technology Education (CTE) and College, Career, and Military Readiness (CCMR) state standards, ensuring student success and compliance with A-F accountability requirements and supports Student Outcomes, Board Goal # 3.

BUDGET IMPLICATIONS: Cost: \$35,880.00 paid with grant funds that have been allocated for this specific contract renewal.

RECOMMENDATION: The Board of Trustees approves renewing the Certiport subscription for industry-based certification licensing software to support Student Outcomes, Board Goal #3.
