School Matters!

Attend Today, Achieve Tomorrow

Attending school regularly helps children feel better about school and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Good attendance will help children do well in high school, college, and at work

Have you noticed the new student pickup areas after school?

To help make pickups quicker, and more streamlined please stay in your car and go to the designated areas. Staff will meet you at your car with your student to keep the line moving and our students safe.

We need YOU to join Site Council!

The school site council is a group of teachers, parents, and classified employees that work with the principal to develop, review and evaluate school improvement programs. We meet once a month, on the 3rd Thursday of the month, after school.
