

# Clara Brownell Middle School

January 2025

Happy Board Appreciation Month! From all the students and staff of CBMS, thank you for your service to our District.

We finished up the last week of December with fun holiday activities, including dress-up days, cookie-baking competitions, and a nail-biting showdown of students vs. staff in our annual holiday hoops assembly.

As we move into a new calendar year, winter MAPs testing takes the spotlight. Testing begins at the end of January, and both students and staff are eager to see student growth numbers.

Upcoming events:

- January 17 - End of 2nd quarter
- January 25 - FTC Robotics Tournament at CBMS
- January 27-February 14 - Winter MAP testing
