Subject:

Consider Approval of the Local Improvement Plans for Stewart Elementary and Clear Lake Intermediate

Background:

In December 2025, local school districts were notified that the Texas Education Agency was requiring Board of Trustee approval of all locally developed and maintained improvement plans that address low performances on campuses identified through federal accountability. CCISD has two campuses, Stewart Elementary and Clear Lake Intermediate, that fall into this category. These schools' Local Improvement Plans (LIPs) are designated for Board of Trustee approval. Each plan includes evidence-based strategies that will improve student outcomes and the supports necessary to support improving student outcomes. Please see background documents for the LIPs.
