

District: Tupelo Public School District
Section: B - School Board Operations
Policy Code: BBBCB - School Board Member Visits to Schools

BOARD MEMBER VISITS TO SCHOOLS

1. Each Board member shall spend one full day, without compensation, in one or more of the District's schools. The Board may, in its discretion, periodically visit schools in the District as a body for the purpose of determining necessary school improvements.

Definition: One full day shall mean seven clock hours spent at one or more of the District's campuses.

2. Each Board member may choose one of the following options to fulfill the legal requirement of spending one full day in the District's schools:

- 1. Spend one seven hour day visiting any one, or combination, of school(s) in the District;
- 2. Spend three and one-half hours on two separate days visiting any school or schools;
- 3. Spend seven hours visiting any one, or combination, of schools over several days.

3. The superintendent shall annually provide each Board member with a "Board Member Visitation Form." Individual Board members are to complete this form after each visit to a school campus and return this form to the superintendent on or before June 30th of each year.

4. The superintendent shall include this information on the July or August Board meeting agenda for Board review. This record of Board member visitation to the schools shall be reflected in the minutes and shall become a permanent part of each Board member's personnel file.
