Re: City of Wood Dale Prairie Fest 2022

Dear Dr. Corbett,

Since 2001, the City of Wood Dale has hosted the annual Prairie Fest to encourage community involvement and togetherness. Prairie Fest attendees are able to sample culinary delights, enjoy carnival rides, hear live music and watch an amazing fireworks display.

The City is seeking use of the property used for Prairie Fest 2015 - 2019, the area adjacent to the north of the Wood Dale Junior High (655 N. Wood Dale Road) for the 2019 festival, scheduled for Thursday, July 28 - Sunday, July 31.

We are aware that parts of the area are also owned by the Wood Dale Park District and are also seeking their respective feedback. The City is available to discuss this topic at your next board meeting to answer any questions you may have on event logistics. Planning for the festival begins many months ahead of the actual event and your prompt response is appreciated.

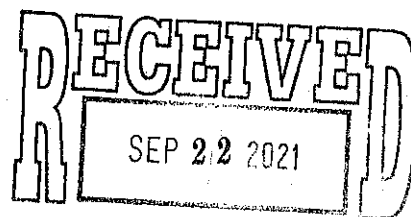

The City looks forward to working with the School District and Park District

Sincerely,

*Annunziato Pulice*
