Summary: Each school year, the District and Campus Improvement Plans are reviewed, revised, updated and submitted to the School Board for approval. These are “real-time” documents that are continuously monitored and updated throughout the year to align with district priorities and support the achievement of targeted goals.

Background Information:	The District and Campus Improvement Plans are reviewed and updated quarterly. A variety of demographic and student performance data is used to guide these updates. The DIP/CIPs will be submitted to the School Board annually in September for approval. It is the responsibility of the District Educational Improvement Committee and Campus Improvement Committees to ensure that all goals and initiatives are aligned with HB 3 goals, and the district’s strategic plan, mission and vision.
