

Preschool Parent Newsletter

January 2025

Nutrition and Health

We are talking about healthy foods at school. Please send your child to school with healthy foods, only, and take the time to discuss nutritious meal choices at home. Thank you for your partnership in this!

Principal/ Parent Chat

You are invited to a virtual "Chat with the Principal" on January 6th at 7:00 PM

Please log on to Google Meets for a time to talk with members of our Principal team.

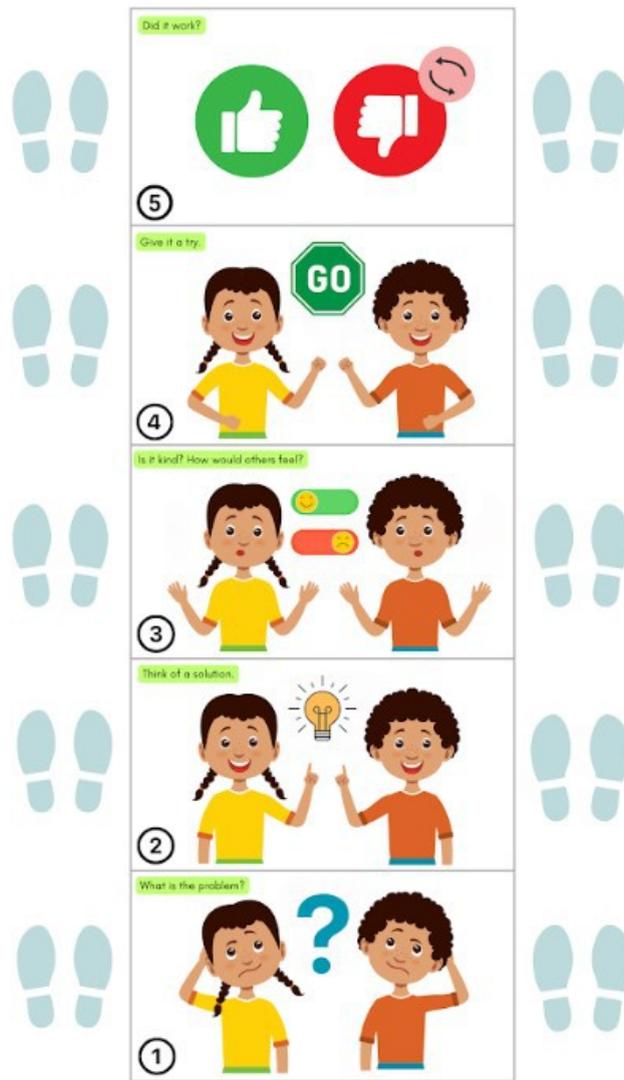

Topics this month:

- January 6th @ 7 PM- We will be sharing updates and asking for your thoughts on an area of our program.
- The chat will be at this link: meet.google.com/pvn-papo-xsw

We look forward to seeing many of you there!

Spanish translation will be provided.

**We are learning to be problem solvers as well as
being emotionally and physically healthy!**

Your children are learning how to maintain a solution-oriented mindset when faced with a problem. They are also learning the importance of practicing healthy habits and what activities keep their body healthy.

We are thrilled to see the growth our students are making when faced with a problem and taking the vital steps needed to find a solution. We have been practicing how to face these challenges with a positive mindset and working together to find a solution.

We encourage you to ask your child how they are working together to be effective problem solvers. Provided above is our anchor chart that each teacher is using to support the children in maintaining a solution-oriented mindset.

Thank you for making this event a success! We loved having you in the classrooms.

TOYS FOR TOTS

Thank you to our Family Liaison team for all their help with December's event!

Reading with your child

We send ARC and library books home in the backpack for you to use. We also encourage you to join the West Chicago library for additional books in your home.

As you read to your child, ask them questions about the pictures and stories and celebrate together all they are learning! Here are some [comprehension questions](#) for you to ask.

SNOW
DAY

Preparing for Possible Snow Days

In the event of a snow day or closure, we have created an activity board for you to access and complete with your child. [Here](#) is the link to the PreK activity board. Please also consider using an art bin, books, blocks, or other toys for your child.

These are also great activities to do during extended breaks from school!

Birth to 3 Program in West Chicago

If you have a child ages 0-2 or know of families with children this age, check out our [Birth to 3 services](#) right here in West Chicago D33!

Call for more information today: 630-473-0778. You can also reach us via email at: wegobirthto3@wego33.org or on Facebook: @d33birthtothree
