

BRACKETT ISD BOARD GOALS

2006 – 2007

1. Increase academic supports at all levels and review the overall instructional program

- Review the Gifted and Talented program implementation and services
- Investigate providing laptop computers for students
- Continued review of all categorical programs to ensure AYP compliance with emphasis on special education
- Monitor and evaluate the expansion of current early childhood program(PK)

2. Continue improvements on campus facilities

- Consider construction of covered play area at elementary
- Consider building new ticket booth and concession stand at football field

3. Provide strong discipline program that includes student leadership components

4. Increase staff salaries and benefit packages

- Increase above state base by \$200

5. Increase parent outreach and communications

- Increase the use of the district website as a communication tool
- Develop a district-wide survey for staff, students and parents to assess the school health and climate
