BACKGROUND INFORMATION:

When the original budget was approved the Capital Outlay money was placed into 199-62-6649-00-999-799. At the November Board Meeting the amount for the various campuses was approved for spending.

ITEMS ADDRESSED:

Prior to the approval at the November Board Meeting we did not know what function code would be used for the various spending. After talking to the Principals' I have now determined what function code the money would be spent from. Attached is a journal entry to the various codes.

RECOMMENDED ACTION:

Approve the Budget Amendment moving the funds from function 62 into the function code 11, 12 & 21.

BUDGETARY INFORMATION:

\$49,956
