Topic: Consideration for Approval to change vendors for Item 1 of RFP 004-2009 “Automotive Lifts & Equipment for United High School Auto Shop” from Arnold Oil Company to Northstar Equipment as awarded at the June 2009 Board Meeting.

Submitted by: Ms. Cordelia Flores-Jackson of: Purchasing Department

Approved for transmittal to school board: July 28, 2009

Recommendations:

Staff recommends to change vendors for Item 1 of RFP 004-2009 “Automotive Lifts & Equipment for United High School Auto Shop” from Arnold Oil Company to Northstar Equipment as awarded at the June 2009 Board Meeting. Arnold Oil company erroneously bid \$16,887 but meant to bid \$18,687 for the lift. Arnold Oil Company cannot honor the bid price as it is below their cost. Northstar Equipment has agreed to hold their bid price of \$17,550.00 and can deliver and install the lift within the specified time period requested.

Rationale:

Staff has complied with all applicable federal, state and local purchasing policies and procedures in obtaining pricing information for the items listed above.

Budgetary Information:

The budget includes the funds for these purchases

The purpose of this memo is to recommend Northstar Equipment as the vendor for the Auto Tech equipment for United High School. Northstar Equipment is the second lowest bidder meeting specifications. The price bid by Northstar Equipment is an additional \$663.00 from the previously awarded bid.

The reason that I am recommending to go with the second lowest bidder is that the lowest bidder previously recommended did not comply with the bid requirements and was not able to honor the price.
