We, the Board of Education, Superintendent, Administrators, Faculty, Staff and Students of Elementary School District 89, pause to offer this resolution to extend our deepest sympathy to the York Family.

Whereas, there are not words that we can say that can replace the words you long to hear and there are not answers that we can give that will satisfy your questions.

However, we can be assured that your loved one is in every step you take, she is in everything you do, she is in the air you breath and every beat of your heart.

"She is like the wind. You can not see her ...but you will always feel her."

Therefore, be it resolved that the School District 89 Board of Education does humbly submit this resolution to the family of Michele York with a copy to be archived in our files.

We do not know what the future holds, but we know who hold the future.

Humbly submitted this 7th Day of December 2012.
