Re: Consider the Renewal of St. Ann's Parking Lot Lease for 2011-12 School Year

In order to enable our New Tech High @ Coppell students the ability to park during the 2011-2012 school year, it is necessary for both St. Ann's and Coppell ISD to mutually agree to renew the original Agreement that was entered into on April 27, 2009. As contracted, we paid a total of \$23,000 for the 2010-11 school year. The remaining annual renewal rates are as follows:

August 15, 2011 through June 8, 2012 – Annual rent is \$28,000.00

August 13, 2012 through June 7, 2013 – Annual rent is \$25,000.00

St. Ann's and New Tech have worked closely together over the past years in ensuring that the parking arrangement has gone smoothly.

To help ensure the safety of all students, we will continue to provide a staff member to assist with the monitoring of the parking lot and crosswalks during morning arrivals and afternoon dismissals.

Recommendation: That the Coppell ISD Board of Trustees approve renewing the Lease Agreement by and between Coppell ISD and St. Ann Catholic Parish for student parking during the 2011-12 school year at a total cost of \$28,000.
