

**BELDING AREA SCHOOLS
BOARD OF EDUCATION
MEETING**

NOVEMBER 17, 2025

VOLUME LXIII

FOR ACTION

SUBJECT: Fiber Replacement

Background and Findings:

The Technology department is recommending to the board that the fiber running inside the buildings be replaced. The existing fiber was installed in 1997 and is limited in the speed at which it can transmit. This purchase has been bid through an RFP with our eRate consultants. The purchase will fall under an 85% reimbursement rate. The qualifying items were accounted for in the Technology budget for this year. Many bids were shared with board members.

Fiber Replacement:

KendraIT Fiber	\$55,741.44
MOSS Fiber (2)	\$33,624.10
MOSS Fiber	\$31,292.18

Recommendation:

It is recommended that the Board approve this request for purchase from MOSS to replace Belding Area Schools' wireless access points. The cost to the district of the Fiber purchase post-reimbursement is \$5,043.62.
