Re: Facilities Update

I am on vacation until 7-5-16

The following has been completed in the school buildings:

- Fire alarm system testing
- Kitchen hood system cleaning
- Fire sprinkler system testing
- HVAC system maintenance
- Emergency lighting system testing

Summer cleaning projects are underway; summer custodial help and painters have been hired and will start on 7/5/16.

Work with architects on the RAISE Academy, LRU additional classrooms and DMS kitchen upgrade projects are underway.

Respectfully submitted by,

David M. Nardone, Facilities Manager
