**PBIS**

- Students that earned the 2nd quarter incentive will be headed to the Rivermen game on December 19th. Students could only have 1 office referral, had to be passing all of their classes, and couldn't have any bus referrals or suspensions. At time of publication only 20 students didn't qualify, but they are working hard to raise their grades so they can go.
- We will be honoring our students of the month for November/December when we return from break. We recognize them at our monthly assembly

**Caring School Community**

Our WIN teachers have started the Caring School Community lessons in their WIN time. The lessons are short and to the point which keeps students engaged. Students have been responding well and having quality discussions. We hope to start seeing the impact of these as time goes on.

**Caught Being Awesome**

In an effort to recognize those students that are caught being awesome (they might step up to help staff members without being asked or show kindness to others in difficult situations, etc.) we have a Facebook campaign publishing their picture and a short description of their good deed. We don't always see a lot of the good on social media, so we're doing our part to change it to a positive platform!

### **ICMS Has Team Spirit**

The staff decided that they wanted to implement something to build relationships with their students and create a “family” type atmosphere. On November 22nd, students received their invitation to their team! There are 3 teams for each grade-level. They started by creating their identity with a team name, mascot, colors, and banner (which hangs outside of their team room). The next team activity was designing and decorating their team doors for Christmas. 4 high school students were chosen to vote on the Doors using creativity, neatness, and design, in addition to other criteria. Mrs. Giesler’s team won the “Golden Paw Print of Awesomeness” traveling trophy for that!

Our final team activity before we head off to Christmas Break will take place all of the week of December 16th with dress up days and Grinch Olympics on the 20th. Teams will earn points for dress up day participation as well as Grinch Olympic events in an effort to steal the traveling trophy from Mrs. Giesler’s “The Outsiders”. Feedback from staff and students has been very positive. Moving forward, there is a plan to have a monthly team building competition/activity..
