Re: Franklin Parking Lots

Please find attached the recommended bid for the resurface of the west lot at Franklin with the drain work at Joy Road and the construction of a new lot between Franklin and McKinley.

The recommended contractor is T & M Asphalt. Included is the total amount to be approved with George Auch as construction manager.

I will call each Board member on Monday to go over this information before the Board Meeting.

RE: **Recommendation for Award
Franklin H.S. Parking Lot Improvements
GWA Project No. 6694**

Dear Mr. Hosman,

We have completed the review of the bids received on July 22nd, 2010 for the Franklin H.S. Parking Lot Improvements Project, and make recommendations for award of contracts per the attached schedule. The proposals as bid are within our project budget as established in design development.

For Proposal A: Asphalt Pavement and Concrete Flatwork – Best Asphalt, Inc. did not acknowledge the Addendum No. 1 in their bid, therefore we recommend award to T & M Asphalt as the low responsive bid. We are not recommending award of either Alternate at this time. The need for Alternate No. 2 (Bumper Blocks) will be evaluated at a later date and pulled from contingency dollars if accepted.

Enclosed are the bid tabulation sheets and a copy of the complete bid recommendation summary. If you have any questions, please do not hesitate to contact me.

Very truly yours,

GEORGE W. AUCH COMPANY
