Information Briefing Action Enclosure Item(s)

Enclosed is renewal information for the district's Property and Liability insurance package and Workers Compensation insurance. The package premium cost decreased by roughly \$13k from last year's costs, based on current market conditions. The areas that accounted for most of the decrease were the Worker's Comp and Cyber. Please look over the sheet titled ISD 883 Rockford Premium Comparison 26-27 to compare all areas of insurance.

Our broker, USI, and the Business Office recommend approval of the enclosed renewal for Property, Liability, and Workers Compensation insurance effective July 1, 2026.
