1. Health services supervised by a qualified school nurse.³ The Superintendent or designee may implement procedures to further a healthy school environment and prevent or reduce the spread of disease.
2. Educational and psychological testing services and the services of a school psychologist⁴ as needed. In all cases, written permission to administer a psychological examination must be obtained from a student's parent(s)/guardian(s). 4. Guidance and school counseling⁶ services.
5. A liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Illinois Department of Children and Family Services when enrolling in or changing schools.⁷

The Superintendent or designee shall develop protocols for responding to students with social, emotional, or mental health needs that impact learning ability.⁸ The District, however, assumes no liability for preventing, identifying, or treating such needs.
