FOR INFORMATION:

Subject: **Superintendent's Report**

Institute Day

On Friday, October 6, District 13 will have a designated Teacher Institute Day; one of four school districts can take throughout the year. Two days were used at the beginning of the school year and this opportunity promises to offer a variety of learning opportunities for staff. Mrs. Gabany will provide details of the Institute Day during the meeting at this time.

Suburban School Superintendents Conference

Each year, I have the opportunity to attend a national conference. This year, that conference will be the Suburban School Superintendents Conference in Palm Springs, California from Wednesday, November 8 to Friday, November 10. I am one of 125 superintendents nationally to be admitted into this group and the program this year, Creating Momentum, promises new learning opportunities and successful experiences shared from other suburban superintendents. I look forward to sharing what I've learned with the Board at a future date.

Community Collaboration Group

On Tuesday, September 19 at 6:00 p.m., the first meeting of the newly comprised Community Collaboration Group was convened. Topics included the Strategic Plan, Student Bullying and Discipline policies, and other topics generated by those in attendance. I will happily share more details at the meeting.
