April is here...Look how far we've come!

Evergreen students are second to none; what an amazing group of young people. I walk the hallways, classrooms and playground at this place, and can't believe the wonderful citizens that I get to spend time with. We have incredible achievements to celebrate on a daily basis at this school, ranging from random acts of kindness to kindergarten students reading a book to the principal. This is my official thank you to the students of Evergreen for making this the official #1- most positive and greatest school in the whole world. You make this school a wonderful place to grow and learn, keep up the good work!

Please check out the Evergreen homepage at: www.threerivers.k12.or.us/ev for the opportunity to take the Public Perception Survey, located at the top of the page right under the school's name. Your opinion is very important to me and the information will be used to make improvements to our school.
