AGENDA ITEM: 2.4.3

July 17, 2012

SUBJECT: Approval of Modification to the Facilities Committee Charge

MOTION: That the Board of Education of Oak Park District 97, approve a modification to the Facilities Committee (FAC) charge to increase its membership from five (5) to seven (7) members.

Background: This recommendation came to the Board in June, noting that the FAC committee's workload increased. An ADA audit, the needs of the administration building, playgrounds and 10-year capital plan review were identified as some items the committee will be working on in the future.
